Notes

Salaries for positions marked with an asterisk incorporate step increases consistent with Appendix C of the Policy Manual. Manager's salary contingent upon Board evaluation. (Net impact of all proposed salary changes is -\$20,722.)

A wage increase of 3.0% for fulltime and regular part time employees is proposed for the 2019 year, paired with a 2.5% increase in employee contribution to health care premiums. Employee contributions would rise from 17.5% to 20% while premium costs are expected to rise about 8%. This would result in an effective increase in contributions of 21% over the previous year.

Overtime and shift differentials are not included in the salaries shown above.

This budget does not contemplate bonding or other borrowing to complete additional road maintenance beyond what a single year's millage collection will fund. Staff does not recommend a bond-funded road project for 2019.

Construction loans from balances of the General, Capital Improvement, and Sewer Funds were repaid with 0.5% interest over five years using the voter approved fire station millage. The repayments are liabilities, but not expenses. The loan from the Capital Improvement Fund was repaid in full during 2014. That from the Sewer Fund was fully paid in 2016 and the General Fund loan was paid in full in 2017.

* Revised 8/19/14 to reflect Interest on Loan as expense rather than liability.
