Chocolay Township Police Department (CTPD) is excited to announce a unique opportunity for those that are interested in public service. Chocolay Township is in Marquette County, in Michigan's Upper Peninsula. It is the southern neighbor to Marquette City, the largest city in the Upper Peninsula. Chocolay Township is a six-person department that patrols 60 square miles and serves over 6,000 residents. Our agency utilizes SUV, ORV, and snowmobiles to patrol our area.

Chocolay Township Police Department would like to announce a Police Cadet program. The selected cadet would gain experience in law enforcement by working with officers and office staff. Successful interns would have the opportunity to be sponsored in a police academy.

Our agency has current openings, and we are offering this new program to recruit the best candidates. This will be a paid Cadet position; the Cadet would be considered part-time employees for the duration of the program. If the cadet desires and is selected, the employment status would become full time while attending the police academy. CTPD would ask for commitment to the department as a road patrol officer after the successful completion of the police academy. The Cadet would be subject to a contract and would be required to repay the training cost if they leave early based on the amount Michigan law allows.

The current wage for the intern position is \$15 per hour, approximately 20 hours per week. Upon entrance to the police academy the Cadet would be paid \$18 per hour, at a Full-time status. Upon successful completion of the academy and MCOLES licensing exam the cadet would be promoted to a full-time patrol officer position at \$25 per hour and must complete Chocolay Township Police's Field training officer program.

Cadets must: (Information regarding these tests are located on the MCOLES website)
